INVITATION ASSEMBLY INSTRUCTIONS

Place the printed invitation on top of patterned cardstock sheet, carefully aligning the holes at the top. Insert each end of a length of ribbon through one of the holes working from the front side to the back. Take the right ribbon end and thread up through the left hole. Now, take the left ribbon end and thread up through the right hole. Pull the ends taught and trim any excess ribbon.

The invitations and response cards are inserted into the large envelope in size order with the invitation first. Next, the response envelope is placed face down on top of the invitation, with the response card facing up, under its flap.

Wedding invitations should be mailed 4-6 weeks prior to the wedding. Invitations usually incur extra postage because of their weight. Prior to mailing, take the finished invitations to the Post Office and weigh to determine postage.
