INVITATION ASSEMBLY INSTRUCTIONS

For pocket invitations (Item Nos. TW303, TW304): Place the printed, cardstock invitation inside the pocket. Wrap a length of ribbon around the pocket and tie in the front with a knot.

The invitations and response cards are inserted into the large envelope in size order with the invitation first. Next, the response envelope is placed face down on top of the invitation, with the response card facing up, under its flap.

Wedding invitations should be mailed 4-6 weeks prior to the wedding. Invitations usually incur extra postage because of their weight. Prior to mailing, take the finished invitations to the Post Office and weigh to determine postage.

Add a finishing touch to your event by using the coordinating place cards and thank you notes.
