SMART SCRAPPING

With paper names like Tic Tac Toe, Marbles and Hopscotch, The Smarty collection from SEI sounds lively and lighthearted, but also shows its studious side in some of its patterns and colors. It's a versatile collection that meets a variety of your scrapping needs.

(\$0.75 to \$5.99)

SET THE MOOD

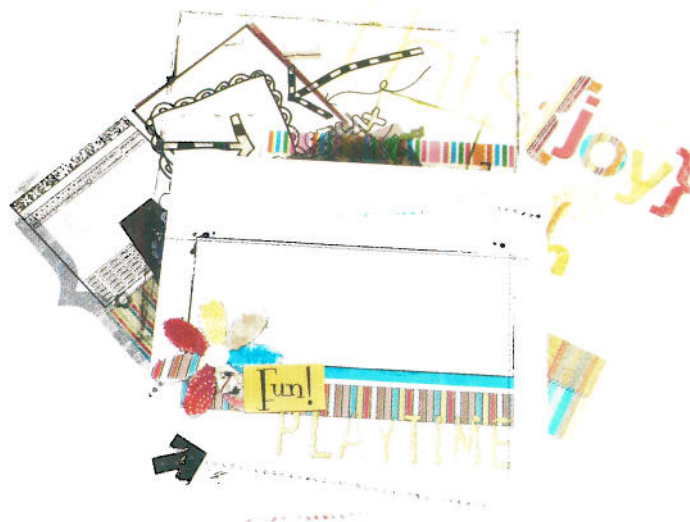

Add a punch of playfulness to your pages and projects with the Oh So Moody collection from Heidi Grace Designs. This collection, with its whimsical hand-drawn designs and texture from glitter, flocking and embossing, will certainly brighten your mood and your artwork.

LOVELY LAYERS

Create paper pages with a delicious digital-design flair using the Jackie Eckles Artistic Expressions overlays from Autumn Leaves. The eight new overlays are bursting with color and sophisticated style.
